“... Those who hope in the Lord will renew their strength;  
They will fly up on wings like eagles;  
They will run and not be tired;  
They will walk and not be weary.”  
Isaiah 40:31

August 2011

Dear Colleagues in the Ministry of Jesus Christ:

This is a very special time in the life of all those who serve Jesus Christ through the ministry of the Central Texas Conference of the United Methodist Church! God is doing a new thing. Do you not see it? Isaiah called the Hebrew people to lift up their eyes so that they would see with a renewed and hope-filled vision concerning the way God was calling and leading them.

We are in a very similar place! I firmly believe that history will record that these early years of the 21<sup>st</sup> century will be years of tremendous renewal in the building of the Kingdom of God through the powerfully redemptive and transformative work of the Living Spirit of Jesus Christ.

I therefore invite each of us to look for the guidance of God in the days of our lives so that we may be found faithful in our calling to be instruments of God in helping many to experience the awesome love of God in Christ Jesus and to become partners in the transforming work of His Spirit.

This financial workbook is intended to help you share the exciting opportunities that we all have as United Methodists to be a part of Christ's exciting ministry in our world today. Let us join hearts and hands as we seek to make disciples of Jesus Christ for the transformation of the world.

Grace, Peace, Hope and Joy be with each of you,

***Rankin H. Koch***

August 19, 2011

Change has characterized our Conference this year – new and fewer districts, new district offices, new personnel and structure in the Conference office. As you look for your church's decimal and apportionment in this Financial Planning Workbook, you will notice that the change continues into 2012.

The most significant change for 2012 is the move to a conference decimal system. Under the new system, described in detail on a subsequent page, each local church's decimal is figured as a part of the whole Conference. This means that each church is receiving apportionments in relation to all churches in the Conference, rather in relation to only churches in their District as was the case in the former district decimal system. Thus, each church's decimal is multiplied by the bottom line Conference budget to determine each church's share of the total. District alignment no longer gives churches a perceived advantage or disadvantage in their calculated decimals and apportionments. Churches with the same decimal are apportioned the same amount. In the decimal and apportionment pages you will find a listing of every chartered church, emphasizing that each local church is an important part of the total support of the mission and ministry of the Conference.

Another change is the move from twenty-one to three apportionments making it easier for church treasurers and financial secretaries to submit remittances. The details of each of the three apportionments are on the "Conference Apportionments" page. A recognizable, but revised Remittance Form for 2012 is also included.

The last change to which I want to call your attention happens in June when the total amount of clergy health insurance will be direct billed. The seven-twelfths reduction in clergy health insurance from the 2012 Conference budget caused most churches to experience a reduction in their 2012 apportionments. As you prepare your 2012 church budget, be sure to include the effect of an increased direct billing change at mid-year.

I welcome your questions - not just about the changes, but any issues in the finance or administration area.

Sincerely yours,

David S. Stinson

# 2012 SPECIAL OFFERINGS

- January 15 Human Relations Day**  
This offering is recommended to be received the Sunday before the observance of Martin Luther King, Jr.'s birthday. It is for projects of a reconciling nature, and is divided as follows: UM Voluntary Service (33%), Community Developers (57%), and Youth Offenders Rehabilitation (10%).
- February Church Growth and Development**  
Establishing new churches is one way our Conference fulfills the commission: "Go into all the world... make disciples". The Partners in Growth Share Program is our financial opportunity. One hundred percent (\$60 per share) reaches new church projects and aids in site acquisition.
- February 19 Aldersgate Enrichment Center Day (3<sup>rd</sup> Sunday)**  
This Sunday is set aside to emphasize the Conference's mission and ministry to mentally handicapped persons. This day will permit churches of the Conference to receive and distribute information about this special ministry.
- March 18 One Great Hour of Sharing**  
Taken in Lent, this offering goes entirely to the United Methodist Committee on Relief. It provides a major source of funds for direct ministry on behalf of the church to persons in need through programs of relief, rehabilitation, refugee resettlement, and other ministries to persons caught in distress situations.
- April 22 Native American Ministries Sunday**  
This emphasis serves to remind the church of contributions made by Native Americans to our society. The offering will help provide scholarships for Native Americans attending United Methodist schools of theology and for additional support for the Native American Urban Initiative of the General Board of Global Ministries.
- May 6 Golden Cross (1<sup>st</sup> Sunday)**  
Golden Cross is the charity care program of the Harris Hospital Health System. The money collected for Golden Cross is used to help persons who are unable to pay all or part of their health care costs.
- May 13 Wesleyan Homes (Mother's Day)**  
The campuses of Wesleyan Homes in Georgetown offer multiple levels of assistance including independent living, nursing care, Alzheimer's care, rehabilitation therapy, and hospice services.
- June Annual Conference Special Offering**  
Each year a particular cause is designated for the Annual Conference special offering. The delegates from each local church take this offering to Annual Conference.
- June 3 Peace with Justice**  
Recommended to be observed the second Sunday of Pentecost, this offering is used for Peace with Justice projects – ½ for such ministries in the annual conference, and ½ for Peace with Justice ministries of the General Board of Church and Society.

- July**                    **Lydia Patterson Institute**  
 The need at Lydia Patterson is greater than the funds provided through the apportionment. This is the opportunity for individuals and churches to give additional funds to meet the needs of this United Methodist school for Hispanic students located in El Paso. It is owned and operated by the South Central Jurisdiction.
- September 9**        **Christian Education Sunday**  
 This offering enables the work of Christian education across the conference. Funds are used to help defray expenses of persons attending training events in order to provide resources for local churches and promote specific programs.
- October 7**            **World Wide Communion**  
 One-half of the offering finances the Crusade Scholarship of the General Board of Global Ministries, enabling young adults from this country and abroad to pursue post-graduate studies. 35% is allocated to an Ethnic Minority Scholarship Program and 15% to an Ethnic Minority In-Service Training Program, both administered by the General Board of Higher Education and Ministry.
- November**            **Thanksgiving Offering**  
 This offering designation is selected by the Hunger Task Force of the Mission & Ministry Outreach Council, and helps alleviate the problems of world hunger. The United Methodist Committee on Relief administers the funds.
- November 4**        **Methodist Mission Home - San Antonio** (1<sup>st</sup> Sunday)  
 Located in San Antonio the ministry of the Mission Home includes maternity and adoption services, vocational rehabilitation services for persons who are deaf, and community re-entry services for traumatic brain injury survivors.
- November 25**        **United Methodist Student Day**  
 Students who might otherwise fail to get a college education are helped by scholarship grants or loans made possible by this offering, which is to be received each year on the Sunday following Thanksgiving. Churches must remit this offering to the Conference office before year-end in order for their students to be considered eligible for a scholarship the following year.
- December**            **Methodist Children's Home - Waco**  
 By long-standing tradition, the Central Texas Annual Conference has authorized an annual offering to be taken in each local church during the month of December for the ministry of the Methodist Children's Home. This money is used for the day-to-day cost of caring for the children who are admitted to the Children's Home's programs regardless of their ability to pay.

## Where Do All Those Figures Come From?

That is a very good question that one might expect to hear in a Finance Committee or a Board Meeting. Each Church shares in the total support of the ministries and programs.

### The Connectional Principle

Methodists have always understood themselves to be a connectional church. From the days of John Wesley the “connexion” has been a word used to describe the unity of the Methodist family. It describes how we govern ourselves, how churches receive their pastors, how pastors are assigned, and how we make decisions concerning support of United Methodist causes.

It is no accident that our Methodist system of governance and our American republic resembles each other. Both were born in the same decade of the latter part of the eighteenth century. As Methodists we have a representative form of government at every level: local churches elect delegates to Annual Conference, where in turn each four years delegates are elected to the General Conference. These delegates at each level approve all budgets and funds that eventually come to the local church in the form of our benevolences.

Each four years the General Conference determines the program of the Church for the next quadrennium and these are prorated to the Annual Conference. The Conference action then adds what funds are necessary to support the benevolences, ministries, institutions, operations, administration, and the districts. A pro rata share is then distributed to each local church via the Decimal.

### The Decimal

The Decimal formula has worked fairly for more than thirty years as the means whereby we distribute the pro rata share of the Conference budget to the individual Churches. It is much like being at a restaurant with several people, receiving one check, and then sitting down to decide who should pay what. You don't mind paying your share, but you would just as soon not pay someone else's part. In fact, the decimal is a Church's best friend because it assures that you will receive no less or more than your fair share.

The basic principle is that how much you spend on yourselves locally (excepting for capital improvements and debt retirement) determines your slice of the pie. From the last end-of-the-year report to the Annual Conference the figures for local expense for program, other local expenses (includes staff, utilities, insurance, supplies, etc.), ministerial support (pastor's salary, utilities for parsonage, travel, pension benefit) are all added together for a total. A similar total is figured for the Conference as a whole. The larger figure divided into the smaller figure results in a decimal figure that basically is the percentage of the total Conference expenditures that your Church spent. This then is multiplied times each of the Conference apportioned funds (groups of budget expenses) to determine your Church's share. In this sense, you determine the decimal (and ultimately your share) by your expenditures. The District Superintendent does not have the authority to alter a decimal for to do so would unfairly raise the decimal of everyone else.

## **FIGURING THE LOCAL CHURCH DECIMAL AND APPORTIONMENTS**

### **DECIMAL**

All Conference items allocated to the local churches of the Conference shall be based on the decimal arrived at by the following formula:  $LCTE / CTE = LCD$ .

A. Determine the Conference Total Expenditure (CTE) by adding the total of the following ten Table II statistical items:

- (51a) Pension & Benefit Funds paid directly to the General Board of Pensions
- (53) Pastor's Base Compensation,
- (54) Associate(s) Base Compensation,
- (55) Utilities and Housing paid to/for Pastor and Associate(s),
- (57) Travel and Other Allowances paid to/for Pastor and Associate(s),
- (58) Deacon(s) Compensation
- (59) Diaconal Compensation
- (60) Other Staff Compensation
- (61) Current Expenses for Program
- (62) Other Current Operating Expenses

B. Add the above ten expenditures for each local church to get their "Local Church Total Expenditure (LCTE)".

C. Divide each "Local Church Total Expenditure" by the Conference Total Expenditure" to arrive at the Local Church Decimal (LCD). (Each decimal is rounded to five decimal places.)

### **APPORTIONMENTS**

D. Multiply the Local Church Decimal times the Conference budget to get the local church apportionment.

The Conference budget is divided into three apportioned funds: General Church, Jurisdiction, and Conference. The Local Church Decimal times each of the three Conference apportioned funds will give the local church amount for the three funds.

Each Apportionment is rounded to the nearest dollar, with every chartered church being apportioned at least one dollar for each apportionment. [Newly chartered churches receive apportionments phased in over three years: 25%, 50%, and 75%.]

## CENTRAL TEXAS CONFERENCE CLERGY RETIREMENT SECURITY PROGRAM (CRSP)

The Clergy Retirement Security Program (CRSP) is the Pension program for all eligible United Methodist Clergy. CRSP offers a two component benefit design:

- a) Defined Benefit – promises a specific dollar amount at retirement regardless of market conditions or investment performance. The amount is based on a formula that specifies a monthly retirement benefit to eligible clergy for the remainder of their lives.
- b) Defined Contribution – promises a defined amount that is deposited into an active clergyperson's account with monthly deposits. This benefit distributed at retirement is the accumulated amount plus earnings (losses) in the individual's account.

The cost of participation in CRSP will continue to be direct billed to the local church for the two components (Defined Benefit and Defined Contribution).

- a) Defined Benefit:
  - Full time clergy - \$7,300
  - ¾ time clergy - \$5,475
  - ½ time clergy - \$3,650
  - ¼ time clergy - \$1,825
- plus**
- b) Defined Contribution: 3% of participant's Total Plan Compensation

Plan Compensation is calculated in the following manner:

- Pastor Lives in a Parsonage – Take the amount from line D on the Pastor's Support and Compensation Form (PSCF) and multiply it by .25 (25%). Add this amount to the line D amount. This total figure represents plan compensation.
- Pastor Receives Housing Allowance – Take the amount from line D on the Pastor's Support and Compensation Form (PSCF). Add this and the Housing Allowance together. (The Housing Allowance is found at the bottom of the form below the bold line. *Note: This is NOT part of item D.2.*) This total figure represents plan compensation.

### UNITED METHODIST PERSONAL INVESTMENT PLAN (UMPIP)

Voluntary amount set by the pastor. The contributions can be after-tax or pre-tax (exempt from federal withholding, but not social security & Medicare taxes). It can be as little as zero dollars, up to the figure at which the Internal Revenue Service will penalize the pastor. ***There are no longer mandatory contributions that must be made personally by the pastor.***

### COMPREHENSIVE PROTECTION PLAN (CPP)

CPP is direct billed to the local church at a rate of 3.1% of Plan Compensation up to twice the DAC (\$62,781). If your pastor does not meet the eligibility requirements, you will not be billed for CPP.

ELIGIBILITY REQUIREMENTS: Full Members, Provisional Members & Full Time Local Pastors who meet salary requirements.

BENEFITS: Death and Disability

**Important** – The following are salary requirements to determine if a pastor qualifies for CPP:

- Pastor Lives in a Parsonage – The minimum total of line D on the PSCF should be \$30,135.
- *Pastor Receives Housing Allowance – The minimum total of line D plus Housing Allowance on the PSCF should be \$37,669.*

***For any questions regarding eligibility requirements,  
please contact the Conference Pensions Office at 817-877-5222.***

## **Conference Travel Reimbursement Policy**

The accountable mileage reimbursement for Conference staff shall be the current IRS rate (55.5 cents per mile effective July 1, 2011). All others shall be reimbursed at 25 cents per mile for one to six persons in a car, and 35 cents per mile when seven or more members ride in the same vehicle for necessary travel on conference business. Due to the fluctuation of gasoline prices, the CFA is authorized to change the mileage rate between sessions of the Annual Conference if deemed necessary. (Local churches are permitted to set their mileage reimbursement at any amount; however, a reimbursement amount that exceeds the IRS rate becomes taxable income to the recipient.)
