

## CREATED BY GOD TRAIN-THE-TRAINER EVENT

We are called to “affirm all persons as equally valuable in the sight of God.” As United Methodists, we recognize the power of education, especially when we educate those who are in life’s transitions. Therefore, human sexuality training for Tweens is vitally important!

- September 10-11, 2010, several conferences have banded together to promote and teach *Created By God*. Join us in learning about the ways we teach and connect young people in this valuable ministry! Register at <http://cbgtrainer.eventbrite.com>
