

**District Student Leadership Team Application**  
**2010-2011**

**What is District Student Leadership Team?** *(summarized from Book of Discipline 2004 ¶1669)*

A team of high school students with the purpose to assist local churches in ministry; to serve as a channel of communication and involvement for local church, conference and general agencies; to initiate youth programming that may influence the local church youth programming in the district; and to take primary responsibility for promoting and raising money for the Youth Service Fund.

Membership is determined by participation and membership in a local United Methodist Church and being elected by that church to be a representative to the DSLT. Two representatives are needed from each local church.

The functions of the DSLT are as follows:

- a. To study the needs of the junior high and senior high youth ministry of the local churches in the district and help them establish and provide more effective ministry in and through the district.
- b. To keep local churches informed of the work of the whole Church in youth ministry and to challenge each church to full participation.
- c. To serve as a two-way channel of communications between the local church youth and the annual conference and to assist local church youth in communication with one another.
- d. To cooperate with the programming and ministry of the district council on ministries as it serves to provide leadership training to persons in the district.
- e. To assist in the implementation of the program of the annual conference and particularly of the annual conference council on youth ministry.
- f. To serve as an advocate for the free expression of youth in the district and local churches of the district.
- g. To provide leadership training.
- h. To promote, educate, and be a resource to local churches on Youth Service Fund.

**Offices available:** President\*, Vice-President\*, Secretary, Conference Student Leadership Team Representative (2 and 1 alternate)\*, member, other positions as needed...
