

CENTRAL TEXAS CONFERENCE  
ADULT UMVIM MISSION-WORK TOUR  
MEXICO'S EASTERN CONFERENCE  
January 16-23, 2010

In January 2010 the Central Texas Conference UMVIM (United Methodist Volunteers in Mission) program will host a mission work tour to Mexico's Eastern Conference. The team will visit and serve at several ministry sites along the Texas-Mexico border and in Monterrey in order to learn about ways that our congregations can engage in mission in these areas. Please join us for this wonderful opportunity to honor our Covenant Relationship with the Eastern Conference in Mexico!

Some of the activities may include working in the PETS (Personal Energy Transportation System) workshop in Nuevo Progreso; touring Juan Wesley Seminary in Monterrey; serving at Sierra Linda, the conference camp for children and youth; conducting Vacation Bible Schools; and participating in cross-cultural awareness conversations with church leaders in these communities. Team members will also help raise funds for the mission activities during the trip. Most importantly, participants will have the opportunity to bring back the stories of these vital missions in the Eastern Conference, tell those stories to their congregations, and lead their churches in seeking out future mission opportunities in this mission field.
