

Y.E.A.H. 2010

Project Leader Registration

Project leaders are an integral part of the success of this event. You will be responsible for the oversight of one work site with approximately 15 - 20 youth and adults. The work will include scraping and painting a home. However, people skills, such as delegation and coordination are needed. The goal is to have the youth and adults work together to accomplish the task at hand. **There is no registration fee for project leaders.**

There is a project leaders meeting April 9. Packets and instructions will be handed out to leaders at this time. You will also receive pictures and details of the house you will be in charge of. If you have questions regarding projects, contact Amanda Slaten at alslaten@gmail.com or (512) 868-7460.

Thank you for helping the district youth serve others!
